

The Superintendent's Broadsheet

Revere Public Schools

Vol. 7 No. 1
January 11, 2018

Beachmont

The Beachmont School would like to thank a number of groups for their generosity over the holiday break. For the third year, members of Revere Fire Department and Target generously donated gifts for our families. Also contributing gifts were A.N. Derringer Inc., FMP Productions, and the Revere Police Department. We also had the Immaculate Conception Church, School Committeewoman Carol Tye, Food For Thought as well as numerous teachers and parents donate food that was distributed to families. We thank all of these individuals and organizations for their thoughtfulness. Their efforts made this holiday season special and memorable for a number of students and families. Special thanks to our Social Worker Ms. Colleton and Nurse Mrs. Maguire for leading these efforts.

Garfield

GES will host a Winter Wonderland for students and their families on Thursday, January 18 beginning at 4:00 pm. Families are welcome to join us to celebrate the season of winter and will rotate through stations that include a short movie, craft activities, a snack, and more. We look forward seeing many of our students and their families for this fun, hands-on, interactive experience.

Garfield Middle

Congratulations to Lauren Santos, whose short story will be published in "Spine Chillers - Tales from the Bay State," coming out this March! Lauren entered a writing contest sponsored by Young Writers and we are so proud of her work! Great job Lauren and we are looking forward to reading your story!

Hill

On Friday, January 19, The Hill School will be holding its first Husky Bucks Auction for 4th and 5th grade students. Students have been earning Husky Bucks since August for positive behaviors, hard work and kind acts. They will have the opportunity to bid on items throughout the auction followed by several raffles at the end. Husky Bucks have also been used to earn lunch with a teacher, elevator rides, sitting in the teacher chair, and school store items. We look forward to this fun afternoon!

Lincoln

Our first, second, and third grade students have been working on The Hour of Code in computer class. They've learned the foundations to construct and debug code using Blockly; a visual block coding language. This is our fifth year partnering with the Hour of Code. For some student pictures, check out our Student Showcase [here!](#)

Paul Revere

Our monthly Greater Boston Food Bank free food pantry took place on Thursday, January 11th. Over two hundred families from the Paul Revere and Beachmont Schools received over fifty pounds of food including fresh fruit and vegetables, meat, cheese and many other delicious items. Additionally, parents were able to place orders with Cradles to Crayons and will receive these items on February 1, 2018 during next month's food pantry. We are so grateful to the many volunteers who help make this happen and for our partnerships with these wonderful organizations.

Revere High School

The blizzard conditions that hit New England this past week were severe affecting many communities, including Revere. Notwithstanding the frigid temperatures that ravaged the city, our JROTC cadets played a critical role in the relief efforts by providing snow removal operations for 60 elderly residents. A total of 120 RHS JROTC cadets executed their Service Learning Project, so-called "Operation Snow Angel," on Friday, January 5th. This act of civic engagement makes us all proud! Great job cadets! Lucas Barbosa medaled 3rd in the state freshman/sophomore large schools championships qualifying for D1 States! Valentina Pepic also reached her 1000th point during last night's basketball game against Everett. Congratulations to these students! We are proud of your accomplishments!

Runney Marsh Academy

The RMA would like to thank students, staff, and administration for all of their efforts over the course of the first semester. To celebrate our work, the RMA will be hosting a Student Showcase on January 30th from 5:00 to 7:00 p.m. All RMA students, educators, and families are welcome to attend! We hope to see you there! Go Hawks!

Seacoast

The SeaCoast High School Design Team met again this week to formalize new **Mission, Vision, and Core Values** statements that represents a re-imagined high school for students who are over-aged and under credited to be shared at the Barr Foundation's "Engage New England: Doing High School Differently" convening in Boston next week. In our commitment to student voice, the Design Team created a carousel activity for students to review and provide input into the team's Mission, Vision and Core Values statements during advisory.

Susan B. Anthony

Save the date! SBA's Celebration of Culture will take place on Thursday, February 8th! Drama students have been rehearsing, band has been perfecting their performance, SBA Clubs are preparing their contributions and many staff and students are excited to showcase their work and share their culture with the SBA community. More information will be shared on our website, twitter and through our Remind account.

Whelan

Whelan School has been very excited to invite Jack Satter residents to join us into Ms. DiLiegro's homeroom as part of our Bridges program which started last week and will run up until our February vacation. On Friday, January 12th or Tuesday, January 16th, our students will be joining their STEAM buddies (K & 2; 1 & 4, 3 & 5) for a STEAM story shared by author Carolyn DeCristofano, Whelan's Blue Heron partner. Reminder that there is no school on Monday, January 15th in honor of Martin Luther King, Jr. Looking ahead, our early release day this month is January 24th. This will be an optional non-uniform day where the theme is "Wear Red for a Bed" and secret donations will be sent to Mass Coalition for the Homeless – A Bed for Every Child.
