Beachmont

Our students have been hard at work completing the MCAS test. Third through fifth graders are now done, and what better way to celebrate completion than with a Bruins spirit rally. A group from the Bruins visited the Beachmont on Wednesday to have a playoff kickoff celebration in the gym. Blades the Bruin was there to greet students and was a goalie during the student and staff shoot out competition. Students also participated in a Bruins gear relay race. It was a fun way a very fun day, and we thank Mr. Dore and Mr. Collins for organizing this event.

Garfield

On Thursday, April 12, GES welcomed the Boston Bruins' mascot Blades the Bruin for a Bruins Playoff Spirit Rally. The Boston Bruins generously donated street hockey equipment to our school at the beginning of the school year and now through our continued partnership have decided to come to the Garfield to help get our students and the Bruins team excited about their quest for Stanley Cup. The rally will include Bruins cheers, relay races, a student versus teacher shootout, and trivia. Students and staff are encouraged to wear black and gold to show their support for the team.

Garfield Middle School

Garfield Middle School Drama Club presents J.M. Barrie's Peter Pan. Many of our students have been working hard to put together a riveting performance for the school and community. We have borrowed costumes from Boston Children's Theatre and with the support of the Revere community, and we look forward to a colorful, exciting show. The show will be held Thursday, April 26th at 7 p.m. Tickets will be sold at the door for \$5 general admission – we look forward to seeing everyone there!

Also, GMS Math Teacher Bunroth So will be running the Boston Marathon on Monday! For anyone wanting to track him, his bib number is 29033. He'll be starting at 11:15 in Wave 4, Corral 6. Good luck Mr. So!

Hill

The Hill Student Activities Student Council held a dress down "animal" day with proceeds raised going to the MSPCA on Wednesday, April 11th. The Hill Food Pantry will take place on Thursday, April 12th from 3-4. On Friday April 13th Erin Leary from Revere Fire Department's Fire Prevention program will present General Fire Safety and Home Escape plans to all our 2nd graders. Also, STEMissaries will present "Chemical Reactivity" to Ms. Tufo's and Ms. LaPlante's 4th and 5th grade Science classes.

Lincoln

The Harlem Wizards game was a big success! Not only did our kids receive free tickets, they also got to meet members of the team, practice with them, and watch teachers take on the Wizards. Special thanks to our teachers who volunteered to sell tickets, refreshments, and to those who played. We are especially grateful to the Lincoln PTA for the planning of this fun event.

Paul Revere

Next week, during April vacation, over 60 of our 2nd through 5th graders will be attending our third annual STEM Camp. Students will engage in hands-on science experiments over the course of three days (Tuesday through Thursday from 8 AM - 12 PM). This well-attended program allows students an opportunity to extend their understanding of grade level science standards through discovery and collaboration. We would like to thank McDonald's on Squire Road and the Paul Revere School PTO for providing lunch over the three days as well as Cheryl Cole and RPS Food Services for providing a daily breakfast. We look forward to an April vacation filled with fun and learning!

Revere High School

Forty two schools participated in the Robotics Competition at Revere High Schools this year. This is the largest competition ever held in our school. Under the supervision of Mr. Miranda, our NUTRONS students were mentored by college students from Northeastern University and neighboring universities along with professional mentors. Students design and build a robot for the FIRST Robotics Competition and compete in New England and across the country. This was an amazing experience with science, technology and engineering in action. Our robotics team was enthusiastic and impressed the audience with its superb performance! Congratulations! Our congratulations also go to Natalie Maggioli and Yensi Quiroz Caballero who will have their photography on display at Hunt's Photography in Melrose through the month of May. These students were finalists in the annual Hunt's high school photography contest. A gallery opening and reception will be held at Hunt's on April 28th. Mithsuca Berry was also featured in the Revere Journal for teaming up with the MBTA and Institute of Contemporary Art to create an animation. Her animation will be shown in T stations across the region! Congratulations to her as well!

Rumney Marsh Academy

The Rumney Marsh Academy would like to congratulate all RMA students who participated in the State History Fair on Saturday, April 7th. Congratulations to Janaya Busheme & Gabriela Mogavero, Anthony Insogna & David Bedoya, and Yasmin Ouakani for receiving an Honorable Mention. Naomi DeMauro received a Special Recognition from the MFA for Arts and Culture, while Melih Yilmaz & Kaleb Phifer received a Special Recognition for the Best Project Relating to Maritime History. Finally, Nicolas Gerasev finished 2nd overall and will be traveling to Washington D.C. for the second year in a row to compete in the National History Fair! Congratulations to all!

Seacoast

On Thursday, April 12 SeaCoast seniors will travel to Bunker Hill Community College for a tour of the campus and a Question and Answer session with Admission Counselors, Academic Department Chairs and Professors.

The SeaCoast community would like to thank Revere On The Move (ROTM) for their generous \$1000 grant for our students to purchase an Aquaponics Laboratory to grow and cultivate crops in their Science classes.

Susan B. Anthony

Dr. Kelly, Kristina Menissian and Joanne Willett had the honor and privilege of attending the Swearing-In Ceremony of Jeffrey C. Riley as Commissioner of the Department of Elementary and Secondary Education during the Massachusetts Public Schools Leading the Nation Celebration on Thursday, April 5th at the State House Ms. Menissian and Mrs. Willett attended as guests of 8th grader Priscila Haro who presented her Spoken-Word Performance: "Perseverance" (the monologue she wrote for SBA's Culture Night). Priscila received a standing ovation and made quite an impression. Congratulations to all SBA students who participated in the State History Fair Sophia Perno will be representing SBA at the National Fair in DC in June! #sbapride

Whelan

Our 3rd, 4th and 5th graders have completed their ELA MCAS for 2018. We are gearing up for May Math MCAS! Whelan students were very excited to cheer on Officer Singer, Mr. MacDonald and Ms. Randall as they played Tuesday night in the Harlem Wizard's Game supporting the Lincoln School. We appreciated our visit by Space Jam from the Wizards on Tuesday to cheer us on for our work on MCAS. On Wednesday, we wore blue in support of Autism Awareness Month. We are excited to wear our black and gold in support of the Bruins on Friday when we have a visit from Blades!
