Revere Public Schools

Vol. 7 No. 20
June 7, 2018

Beachmont

On Thursday, the Beachmont and Seacoast Schools held their annual Art Gallery Walk. This is a time where we display at least one piece of art from every K-5 student in the school. Parents were invited to see some of the tremendous projects our students have been busy working on this year. They also had the chance to complete a scavenger hunt and do some art of their own in the cafeteria. Thanks to Mr. Harris for all of his work helping our students develop their artistic abilities and the Encore staff for putting on a great event.

Garfield

GES has a lot happening in the final weeks of the school year. All families are welcome to join us for our Multicultural Potluck on Thursday, June 7. Students will be performing in our Spring Concert on Friday, June 8, with Glee Club and Grades 3, 4, and 5 performing at 9:00 am and Kindergarten and Grades 1 and 2 performing at 10:30 am. Our annual uniform swap begins on Monday, June 11, and continues through Friday, June 15, when parents can drop off clean, gently used uniforms to exchange them for uniforms of different sizes. The GES PTO will meet on Tuesday, June 12, at 8:30 am. And every Wednesday, families are welcome to meet school staff at Costa Park at 7:45 am to walk to school together.

Garfield Middle School

In Ms. Sheppard's 6th grade advisory, students have been discussing gun violence since the school shooting in Parkland, Florida and the national school walkouts. These students, after reading articles and having conversations about the issue, decided to write letters to Speaker Robert A. DeLeo at the MA State House. In their letters, students expressed how they feel about gun violence in the U.S., and some chose to share their views on a current ERPO (Extreme Risk Protection Order) bill. Speaker DeLeo wrote back to the students and moved the ERPO bill to the House floor for a vote. He supported the bill, and it passed the House and now moves to the Senate. DeLeo also shared a photo of the advisory class on his Facebook page and wrote a post that can be found at this link:

<https://www.facebook.com/401891743246684/photos/a.401972719905253.1073741828.401891743246684/1328785437223972/?type=3&permPage=1>

We at GMS are so proud of how these students used their voices to create change, and we look forward to seeing what they'll accomplish next.

Hill

The Revere Road Race last Saturday was a huge success as all Hill School Runners persevered and completed their respective races under hot and humid conditions. Congratulations to all runners, especially Ms. Kelly for being the top female finisher in the race. On Monday June 4th at City Hall, the City Council recognized the top students in each of the 6 elementary schools and 3 middle schools. For the Hill School, Kenneth Santizo was recognized as the top 5th grader and was awarded the George V. Colella Academic Excellence Award. Congratulations to Kenneth and his proud family!

Lincoln

The Lincoln School Spring Concert is being held this week in our cafeteria. Our students have been busy practicing for families and friends. Many of our grade levels are singing songs that have been part of our schoolwide MCIEA curriculum initiative. Special thanks to Ms. Brennan for organizing this special event.

Paul Revere

The first grade team had a fantastic time at the Stone Zoo! Students were treated to Birds of Prey, a show featuring many types of birds that we learned about. We also got to see our favorite – the Bald Eagle! We saw bears, flamingos, jaguars, snakes, and reindeer. This field trip tied in perfectly with

our Project Based Learning unit about animal adaptations and offspring. The weather was perfect and everyone had a great time! We look forward to sharing our photos at our Project Based Learning exhibit on June 20th from 3:00-5:00. All are welcome to attend. We hope to see you there.

Revere High School

On June 5th, a cohort of 10 parents graduated from the Parent Leadership Training Institute (PLTI) at the City Hall. This was a memorable event with so many families and relatives attending. The various projects parents have worked on during the 20 week training and the final product they shared with us at the event were rigorous and relevant and we hope that they will help shape policies and practices in the district with regard to school safety, physical education, school lunch/nutrition, and a wide range of other important topics. These parents will join another group of alumni parents who are already working with different constituents, including community schools, Inversant, and local officials to improve the quality education of our students in the city. Congratulations to these parents! Another great event took place at the Revere Showcase Cinemas yesterday celebrating the outstanding performance and accomplishments of many of our talented Revere High school athletes. Parents, members of the school committee, coaches, students, alumni coaches, and school administrators attended the event. Congratulations to our athletes on such a great accomplishment!

Rumney Marsh Academy

The RMA would like to thank Jennifer Morse, Andrea Solemina, Chris Porrazzo, Dan DiSario, Kyle West, and Rachel LeBlanc for all of their hard work in making our RMA Talent Show (May 31st) such a great success! Congratulations to Amar Avdic (Honorable Mention), Shamus Duffey (3rd Place), James Da Silva, Ariel Inello, & Naomi DeMauro (2nd Place), and Jereliz Soto (1st Place). Please check out Twitter for some clips of the students' performances! Great job everyone!

Seacoast

The SeaCoast community is very excited to see our Class of 2018 students walk the stage at Graduation and receive their diplomas on June 7th. Congratulations to all of our graduates and we are all proud of you. SeaCoast students will be taking the MCAS Biology assessment on June 6th and 7th. Our students are well prepared and we know our students will do very well on their MCAS.

Susan B. Anthony

Over Memorial Day weekend, the SBA Aspirer club held their second annual Operation Giveback, an event focused to collect toiletry items for local veterans. The students were invited to distribute the items collected during a veterans mobile food mart at the American Legion on Broadway held on June 6th. The project served approximately 200 local veterans and their families. This was a great opportunity for the Aspirers to see the impact of their efforts on the Revere community. #sbnpride

Whelan

Whelan students have had a very busy week this week! Fifth graders traveled via Trolley to Boston to visit Revolutionary War sites through a grant from the Revere Cultural Council, a local agency which is supported by the Mass Cultural Council, a state agency. Our Second grade students enjoyed visiting and learning about the Franklin Park Zoo. Our students who have participated in the Generations Program this year were honored on Tuesday with their reading coaches. To end our week, we are looking forward to inviting families to join us for our K-4 Spring Concerts. Please check out ClassDojo for specific times!
